Ministry of Earth Sciences

The exhibition stand is a large, blue, trapezoidal structure. At the top, there is a white shelf with a decorative arrangement of two stylized elephants flanking the Indian national emblem. The main body of the stand features a large, illuminated sign with the text 'पृथ्वी विज्ञान मंत्रालय' and 'Ministry of Earth Sciences' in white, set against a blue background with a globe graphic. The stand has a wide, open base with a blue carpeted floor. To the left of the stand, there is a display case with a ship model and a sign that says 'MTA'. To the right, there is a mural with the word 'Murals' above it. The stand is flanked by two large penguin cutouts. The background shows a large hall with a high, vaulted ceiling and other exhibition areas.
