The Ministry of Earth Sciences (MoES), Government of India, is mandated to provide services for weather, climate, ocean and coastal state, hydrology, seismology, and natural hazards; to explore and harness marine living and non-living resources in a sustainable manner for the country and to explore the Arctic, Antarctic and the Himalayas. The MoES implements the various programs through the following schemes:

The MoES is network of the following institutes:

Abbreviation	Institute Name	Location	Website
Subordinate Offices			
IMD	India Meteorological Department	New Delhi	https://mausam.imd.gov.in/
NCMRWF	National Centre for Medium Range Weather Forecasting	Noida, Uttar Pradesh	https://www.ncmrwf.gov.in/
Attached Offices			
CMLRE	Centre for Marine Living Resources & Ecology	Kochi, Kerala	https://www.cmlre.gov.in/
NCS	National Center for Seismology	New Delhi	https://seismo.gov.in/
NCCR	National Centre for Coastal Research	Chennai, Tamil Nadu	https://www.nCCR.gov.in/
Autonomous			
NCPOR	National Centre for Polar and Ocean Research	Goa	https://ncpor.res.in/
INCOIS	Indian National Centre for Ocean Information Services	Hyderabad, Telangana	https://incois.gov.in/
IITM	Indian Institute of Tropical Meteorology	Pune, Maharashtra	https://www.tropmet.res.in/
NIOT	National Institute of Ocean Technology	Chennai, Tamil Nadu	https://www.niot.res.in/
NCESS	National Centre for Earth Science Studies	Thiruvananthapuram, Kerala	https://www.ncess.gov.in/

Note: The Ministry of Earth Sciences uploads year-wise publications on its website at www.moes.gov.in/publication which is a curated list of publications and journal titles. The publications enlisted in this document are already available individually in the public domain. These have been published after a rigorous international peer review process by domain experts. The primary objective of uploading a summarised year-wise list of publications is to provide the public and scholars with a ready summary list of academic journals that may offer valuable and credible sources for their research and reference.
